This is a flimsy piece of plastic, a zipper and a stick. It will not keep your bird safe if someone bumps into it. The stick doesn't even keep it from being smashed. Please don't buy this.

Too flimsy. It doesn't stay up. It leans to one size. Even though the wood stick has a black rubber thing, it doesn't hold the stick. It comes through the hole in or out. Please stay away from this product

Nice Bird Carrier

Reviewed in the United States on November 13, 2020

Size: Fits Small Bird(8" x 8" x 14") Verified Purchase

I got this carrier for my green cheek conure. The size is just about perfect for a bird her size or smaller. She was nervous at first, but quickly discovered the perch which is nicely textured and she calmed right down. It zips securely, and is well ventilated. All in all, it's a great little carrier for the price!

Nice carrier

Reviewed in the United States on October 9, 2020

Size: Big (10" x 10" x 16") Verified Purchase

Just received and haven't actually used it yet but this carrier is actually very nice for the price. I ordered the "big" one and it came with the tray and cups. Based on the Q&A I didn't expect it to have the cups and tray, so that was a nice surprise. The only bad thing is the plastic film. Be sure to get all of it, it tends to stick under the grommet holes on the sides so I had to use a tweezer to pull it out. Don't want your bird to ingest it. I think this is a really nice carrier for small to medium birds. My blue crowned conures will fit perfectly. I didn't notice the bad smell that some have talked about but to err on the side of caution I put it outside to "air out" and I plan to wipe the whole thing down with bird safe cleaner prior to use.

Great Customer Service!!! SEE UPDATE!!

Reviewed in the United States on November 11, 2020

Size: Big (10" x 10" x 16") **Verified Purchase**

I bought this carrier because we are moving and I want to make sure I have a safe place for my bird to be on the 5 1/2 hour trip. I thought it came with dishes too, but it didn't come with it, so I contacted seller and explained the situation and also told him that the cage was scratched up even after removing the film. He is sending me a dish and a partial refund. So I am a very happy and pleased customer! It will work great for what I need it for and it will be nice to have for any future Dr. appointments. I always used to borrow a friends, but now I've got this for my own use.

UPDATE: I am moving this down to 3 stars. He said he would send me a dish, but instead sent me a cover for the bottom. Which I suppose would come in handy, but what I really needed was what he had promised, a dish! I'll still keep it for now and maybe return it and buy something that better suits my needs. I am tired of dealing with this person back and forth. We are moving to a different state in a few days, so there is no time to get the dish I need. It will just have to do. I'm very disappointed!

Great Design for Birds that Don't Chew

Reviewed in the United States on March 28, 2021

Size: Big (10" x 10" x 16") **Verified Purchase**

I love the design of this carrier. it's lightweight and easy to carry, and the clear plastic gives the bird good visibility.

HOWEVER, beware if your bird is a destructive chewer like my Senegal parrot who made the hole in the picture in minutes.

I will use it for my cockatiel who is more gentle.

Best way to transport

Reviewed in the United States on December 7, 2020

Size: Big (10" x 10" x 16") **Verified Purchase**

This is one of the best gifts for my birds. I have a love bird who likes to travel to my parents house (because they lived together for years). I loved previously traveling with my bird - however, he recently has not stayed on my shoulder as much. I wanted to have a safe way of transporting him. This product is great - extremely durable, very breath able. It comes with a nice perch and a food/water dish. The one thing I am disappointed in is the way the protected the plastics for transport was very difficult to remove it all. However, that does not change the important aspect that I feel very safe traveling with my bird again.

Great for Green Cheek Conure

Reviewed in the United States on May 12, 2021

Size: Fits Small Bird(8" x 8" x 14") **Verified Purchase**

I have just began breeding green cheek conures and building pairs and knew I was going to need a travel carrier. I don't love the ideas of the small cages bc they can be bulky in the car when traveling to meet people or pick up a bird with the whole family usually coming. I used it a few days after I purchased it to pick up a turquoise green cheek baby and it worked perfectly. You can open one side just enough to stick your hand and the bird in and hold it easily with the other hand while you zip it back. I'm sure I'll be using this for years to come! It's sturdy but you do have to be careful with the clear plastic, it won't hurt it to be bumped or whatever but you wouldn't want it to be stepped on or something heavy dropped on it I'd say it would ruin it. We keep ours on top of the big bird cage so I just suggest a safe location out of the way. Cleaning it is a breeze and I would purchase again.

Durable, lightweight and easy to transport

Reviewed in the United States on June 7, 2021

Size: Big (10" x 10" x 16") **Verified Purchase**

I purchased to take our bird along with us for a weekend get away with the family. .
The size is just perfect. it's just what we were expecting from the listing description.
Set up was very simple. Minimal assembly required.
She was a little nervous initially so we decided to get her comfortable with it before we left.
Within a week I was confident she would be OK to spend 78 hours straight on it.
The case ended up working out very well for us. the perch is well textured and helps to calm her down. It zips easily and securely. Adequately ventilated.
Durable, sturdy, lightweight and easy to transport.
Also cleans up easily with a little soap and water.
A terrific carrier for the price!

Convient sturdy carrier -great company, customer service!

Reviewed in the United States on March 1, 2021

Size: Fits Small Bird(8" x 8" x 14") **Verified Purchase**

This company provides excellent service and really cares about their customers!

The carrier is sturdy and convenient. Though our Budgie, Maddie, is still a bit wary of it (she is wary of *everything* at first !), the carrier will be a great way to take her on short trips.

Wish the perch was wood like in the smaller one rather than plastic, but covering it with medical self fusing tape should take care of that.
